Candidates For the Pen. BUTTE, June 18.-Sheriff Lloyd to-day took Henry Lewis and John McCarty to the penitentiary, the former to serve five and the latter two years for burglary. To-morrow two more, Arnold and Riley, will also be taken down, after which there will remain still three more who have been will remain still three more who have been convicted and sentenced and are awaiting transportation. Besides all these, there are yet in jail 12 candidates for the penitentiary, who are awaiting trial. It looks as though Silver Bow's representation at Deer Lodge for this year would exceed any previous year. Last year 37 convicts were sent up, while in the five months and a half of this year 15 have been sent down and the season only just commenced.

QUINN-KING MATCH THE

tana's Victory.

Articles For It Have Been Signed Base Ball Talk and Other Notes From Field and Ring.

BUTTE, June 18.-The news of Montana's splendid victory in the Suburban to-day was received with the greatest enthusiasm in this city. The first informa-tion of the result to the people of Butte was by the STANDARD's bulletin board. The board was quickly surrounded by a crowd of interested citizens, who regarded Montana's victory as a victory for every citizen of the state. A few minutes after the result was posted, Marcus Daly, Montana's proud owner, entered the office to receive a confirmation of the news. He was of course greatly pleased. The victory was worth \$53,500 to him, the purse being \$25,000 and the balance being the amount of his winnings.

KING AND QUINN,

Articles of Agreement Signed for Wrestling Match.

W. H. Quinn of Cornwall, Canada; and Jack King of Red Jacket, Michigan, the two noted wrestlers, met to-day and signed articles of agreement to wrestle a three-style match consisting of Cornish, collar-and-cibow and catch-as-catch-can for \$250 a side and a purse of \$500 offered by the Butte Athletic association, the by the Butte Athletic association, the match to take place at the association base ball grounds in this city on Sunday, July 3. The side stakes of \$250 are to be placed in the hands of Paul Davis and by him to be paid to the winner, or who is decided to be by the ciub's referee. The side stakes must be posted in the hands of Paul Davis on or before June 29. It was mutually agreed that the contest is to be wrestled by the Police Gazetle rules.

The stake of \$1.000 is a very good one

mutually agreed that the contest is to be wrestled by the Police Gazetle rules.

The stake of \$1,000 is a very good one for a wrestling match in this city, and there is every reason to expect a good contest for it. There is no question but that it will be one of the squarest matches ever made in this city, for it is the first to be given under the auspices of the new Athletic club and its reputatioy depends on it, for the fairness of the contest will make or mar that reputation and decide the success of all future sporting events unter the club's management. The reputation of the wrestlers is a guarantee of mettle to make the match an interesting and hard fought one. Quinn's best styles are collar-and-cibow and catch-as-catch-can, while King has made his best record in Cornish and collar-and-cibow. Quinn leaves to-morrow for Warm Springs, where he will go into training and expects to be in good condition by July 3. King is already in excellent shape and has recently wrestled in several local matches. His record was published in the STANDARD of May 29 and is worth referring to at this time.

Quinn is the undisputed champion of Canada, and has made for himself a Canada, and has made for himself a record that is of interest to every lover of sport. He was born in Canada in 1864, and went to California when but 18 years sport. He was born in Canada in 1894, and went to California when but 18 years of age and seon thereafter joined the Olympic club and competed in a number of athletic sports as an amateur, winning the championship at putting the shot, throwing the hammer and wrestling. Quinn's first match was with Jee Acton, who was at that time undefeated. The match lasted one hour and forty-five minutes and was won by Acton. Since then, however, Quinn's victories have been numerous. In the Cornish tournament under the Olympic club in 1888, he defeated Thos. Nolan in a collar and elbow match, and in the same year in succession vanquished Ed. Skinner at Woodland, Cal., Harry Critchfield at Ukiah, Cal., D. H. Cameroa at Nanaimo, B. C., and Matsala Sorakichi, "The Jap," at Seattle, in catch-as-catch-can matches. In 1889 he again got the best of the Jap at Seattle a Graeco-Roman contest, and also J. T. Donovan in a collar and elbow match at the same time, and A. Stewart at Hoquiam, Wash., catch-as-catch-can. At Olympia, Wash., he defeated P. Magher and returned to Seattle and beat D. H. Cameron, collar and elbow match at the same time, and A. Stewart at Hoquiam, Wash., he defeated P. Magher and returned to Seattle and beat D. H. Cameron, collar and elbow match at the same time, and A. Stewart at Hoquiam, Wash., he defeated P. Magher and returned to Seattle and beat D. H. Persing and elbow matcher and elbow collars and el he defeated P. Magher and returned to Seattle and beat D. H. Cameron, collar and elbow, and got the best of G. T. Perrie in a similar match before the Golden Gate Athletic club in San Francisco, and again defeated the Jap at Helena. Quinn next met B. Cane at Ogden and won the match, and soon thereafter won the Denver turnament catch-as-catch-can. His other noted victories were over Lucien. won the match, and soon thereafter won the Denver turnament catch-as-catch-can. His other noted victories were over Lucien Marc Christol, whom he threw five times in one hour in Omaha, and the Japagain at the same place, Graeco-Roman, also Jim Connors at Deadwood; Jack Connors at Victoria, B. C., both catch-as-catch-can and Graeco-Roman; Jimmie Faulkner, catch-as-catch-can at Seattle; I. P. Baldwin, catch-as-catch-can, at Omaha. In the £ast he bas won matches and defeated A. F. Miller, the champion of Vermont, in two straight falls; Jim Me-Mahon of Montreal five times in one hour, collar and elbow; Jim Duane, mixed match; J. D. McPherson, catch-as-catch-can; D. R. McMillan, collar and elbow; Donald Currio, at Boston, collar and elbow; Donald Currio, at Boston, collar and elbow; R. N. Harrison, at Toronto, catch-as-catch-can. Quinn wrestled one draw, and that was with John McMahon, the champion collar and elbow wrestler. He has at present a forfeit posted to wrestle any man in the world collar and elbow style. Quinn is a fine athlete and when in condition weighs 185 pounds. His chest measurement is 44 inches; neck, 17; biceps, 16; forcarm, 13½; calf, 16; thigh, 2½; waist, 34; height, 6 feet, ½ inch.

Quinn's record speaks for itself, as the above list contains some of the best known wrestlers in the country.

Closed The Tournament,

Closed The Tournament.

The Centerville wrestling tournament closed this afternoon with two good mixed-style matches between Jack King and John Flynn and Joe Jefford and Albert Kitto. King defeated Flynn in three consecutive falls, and Jefford did the same for Kitto. At 7 o'clock this evening the prizes were awarded at Coombs & Tonkin's saloon, King receiving 5100 in gold and Jefford \$50. The tournament was a most interesting one all the way through and was conducted with exceptional fairness. It attracted unusual interest and gave the strong men of Butte and Centerville an opportunity to show what they could do. A similar tournament but on a smaller scale will be held in the Milwaukee beer hall on July 4.

betters the Winner. A wrestling match took place at the Milwaukee beer hall this evening between Alf Kitto and Jim Sellers, both weighing 165 pounds. It was for a purse of \$100 put up by the Milwaukee beer hall. Jack King refereed the match. Time was called at 9:30. The men had eight hitches in which some very good work was done. They were evenly matched and every time they came together they tackled each other fiercely and the struggles were brief but vigorous. In the last hitch both were winded. Kitto fell on his knees, and they were ordered to break. They again advanced and took hold, Seilers getting a grapevine hold on Kitto, tripping him and laid him on his back. Kittlo refusing to wrestle any more as he was sick, the

referee declared Sellers the winner. Af-ter this Jack Weston threw T. Kent two falls in five hitches. Weston offers to wrestle any man in Montana for \$200 to \$500 at 150 pounds.

An exciting sparring contest took place An exciting sparring contest took place at the Comique last night between Jim Leavitt of British Columbia and Jerry Connelly, champion middle weight of Wisconsin. The first round opened ap savagely, and proved conclusively that there was no "fake" about the affair. Leavitt led the fighting at the start and several lively evaluations took place to several lively exchanges took place, in which the men broke about even.

In the third round Leavitt had his man

which the men broke about even.

In the third round Leavitt had his man out of wind, and could easily have put him out had he not been in such an exhaust side condition himself that his blows had no force. In the fourth, fifth and sixth both sparred for wind.

In the seventh Connelly came up frester than ever and showed a disposition to settle it right there, but Leavitt kept away from him and in the exchanges gave him as good as he sent. Leavitt went in to win in the eighth, while Connelly stood still in the center of the ring waiting for an attack, Leavitt circled around him waiting for an opening. Finally it came and with a lightning movement he swung himself clear around and struck his opponent full in the face with the back of his right hand. The blow was a terrific one and so quick that Connelly had no time to dodge it or ward it off. It carried him clear off his feet where he laid for several seconds completely stunned and almost insensible. He succeeded in getting up before the 10 seconds and would have continued the fight, but his seconds, seeing that he was whipped, interfered and took him to his corner, Leavitt's blow was a lucky one and was just the kind of a one which Le Blanche put Dempsey out with. In spite of his deteat Connelly is a good man, and it was the general opinion of those present that if it had not been for his opponent's lucky blow he would have put Leavitt out before the end of the 10th round.

On next Friday night, the winner of last night's contest will sheet Jim King, a brother of the wrestler, at the Comique.

It now remains with George Kessler to say whether the long-talked-of fight be-tween himself and Williams of Salt Lake is to come off or not. In reply to the offer of H. L. Frank and Fred Ritchie to back of H. L. Frank and Fred Ritchie to back Kessler for \$1,000 to fight under the aus-pices of the Pocatello Athletic club, fiell Wilson, Williams' backer, writes 'that he Ogden Athletic club will hang up a purse of \$2,000 for the fight, the meeting to come off in September. "That is but a few hours ride farther than Pocatello," adds Mr. Wilson, "and as the accommodations are very poor at Pocatello, and the purse offered by the Ogden club larger than Pocatello can possibly offer, we would much prefer to have the contest come off in Ogden. Or if that is too far away we will go to Portland, where Mr. Kessler we will go to Portland, where Mr. Kessler is, provided the Portland club hangs up a reasonable purse. In either case we will bet you \$1,000 on the side. We mean busbet you \$1,000 on the side. We mean business and are anxious to make the match,
but we want it to come off where we are
sure it will be on the merits of the men. I
don't see how you could possibly object to
either Portland or Ogden."

The proposition of Mr. Wilson has been
sent to Kessler at Portland with a promise
that his Butte backers are ready to abide
by his decision and but up any amount of

by his decision and put up any amount on the side. No reply has yet been received from Kessler.

BALL, BAT AND DIAMOND. What Is Interesting Base Ball Enthusi-

asts-The State League. The fifth series of games in the Mor tana league opened this afternoon with Butte at Helena, Great Falls at Philips-burg and Missoula at Bozeman. The race with the exception of Missoula is a pretsince the season opened. Butte has a good grip on first place and will probably increase her lead at Helena. Great Fath is pushing Bozeman hard for second place, there being only one game's difference be-tween them. Helena and Philipsburg are tied for fourth place. Missoula has not yet won a game but with the new material

good ball from this on.

The Butte team left last night for Helona in charge of S. W. Davis, Manager Mc. Cormick being unaple to go on account of the washouts. Caplinger and Brennan will be in the points to-day. Flannery will cover second and Harkness will take his place in the field. Manager McCormick leaves to-night for Helena and will meet Jerry Harrington, the new catcher, at Logan and proceed with him to the capital. Harkness and Harrington will be the bate tery in to-morrow's game and Brennan

will cover second.

The Helena club is in a bad way, The city officials are all down on it and the police arrest ball players for simply walk, ing the streets in daylight. Marr well, over there from Butte and was arrested inside of 12 hours after he had struck town. Not more than a corporal's guarfi turn out to see the games and the base ball world is in a generally disorganized condition. In an interview with Secretary Muth the Helena Independent says:

"Caplinger, a pitcher, was also booked for Helena, but Butte stepped in and bought him off and he is now playing there. This thing of one ciub tampering with players engaged by another club is one of the doings that will help bring the Montana state league into disrepute, if the clubs do not discontinue it. The only way to prevent it is to have the protection of the national agreement."

"When Butte lost a man, who jumped to Spokane, the managers over there were much in favor of having the league get under the protection of the national agreement. Now that Butte has a chance to get players engaged by other clubs in the league, the management are not so anxious for the protection. It is said that under the national agreement several Butte players would be disqualified. It is even said that Butte has been tampering with some of the players under contract to Helena.

"Of course no player could leave this club without a release and go to Butte, but the facts that the latter city is holding out extra inducements makes them dissatisfied with their present places. The effect is to produce careless work. If any of these show a disposition to be lax in order to gain their release, they will promptly be laid off without salary and cannot play with any other club.

"Secretary Muth thinks Helena will secure the last game played at Butte, under the protest entered. Helena had two men on bases at a critical point, and a good batter at the plate. One of the two balls required to be on hand became ripped, and the other was knocked out of the lot on a foul. Instead of sending u

went to Manager McCormick and asked for engagements, but they were plainly told that Butte had no desire to meddle or take players away from any other club and that they had better stay where they were. When the Helena team was here a week ago, one of its best players asked Mr. Cowan for a place on the Butte team, but his answer was the same as Manager McCorm.ck's had been to the Philipsburg players. Helena's protest against the last game played here is too foolish to be considered. If the Helena directors would devote more of their time to getting good men and treating them right and less to finding fault with other clubs they would get along better. get along better.

On the Fly.

Jerry Harrington, Butte's new catches s one of the best men who ever stepped behind a plate in the National league, and will prove a mountain of strength to the champions. With he and Brennau behind the bat, the stolen base column of their opponents will not figure very conspict sly in the score.

Butte is also neg otiating with one of the best second basemen in the country, and will probably have him here in time to go up against Helena.

Lucid,who was fermerly a compositor on

the Butte Miner, is pitching for Spokane, and is doing great work, having won five out of the last six games he has pitched. out of the last six games he has pitched.
According to averages compiled by Secretary Stevenson, Larry Gleason leads the league in batting so far this season, with 21 base hits. Flannery is also well up to

reague in batting so far this season, with 21 base hits. Flannery is also well up to the front.

If Bozeman does not win the next four games with Butte after all that is being done with that end in view, the cranks in the future capital (?) will all probably lie down and have a fit. No less that four star players who are under suspension in the National league, have been engaged by Bozeman to participate in the four games against Butte, two of which will be played here on June 35 and 27, and the other two at Bozeman on July 3 and 4. It is authentically stated that these four men are to receive \$50 apiece for each of the games, in addition to all their traveling expenses. After the four games with Butte these men will, of course, be released and that is now understood by them. If the Bozeman people expect to win by this means they will be terribly fooled, for the Butte boys can beat all the stars that any of the other teams can get together. "Come on MacJuff and damned be Butte if she ever teries enough."

If the Butte cranks note with pleasure the better playing of the Missoula team, which won its first game yesterday. The team has been greatly in-proved of late, and it has now been made stronger than exer by the addition of Ben Cargo at short, who is a rattling good little player. Missoula has started in a little late, but she will give some of the leaders a lively race before the season closes.

The attendance which has marked all of the games played in Butte so far is a matter of great surprise to many who were posities before the season opened that base

Take attendance which has marked all of the games played in Butte so far is a matter of great surprise to many who were positive before the season opened that base ball would not pay in Butte, and has gedatly encouraged the management in strengthening the team and concepting it at the head of the procession where it properly belongs. It is not goverestimating it to state that more people turn out to the Butte games than in all the other cities in the league. The Butte people are thoroughly aroused over the national game and would be glad to see two or three games every week, instead of two every other week, if the other towns could stand if. As the schedule cannot be increased, if its probable that one or two exhibition games will be arranged for every week. Before the season is over Spokane and some of the other Northwest Pacific league teams will probably be seen here, and the Butte club may confidently be expected to give them a hard tussle for the supremacy.

of give them a hard tussic for the supremiacy.

A good game of ball will be seen at the Athletic grounds this afternoon between the Butte City nine and the strong Anagonda team. The latter team was recently defeated at Anaconda by the Buttes, but it has been so strengthened since then that it will no doubt be able to give a good account of itself. The game will be called af 3 o'clock sharp, to allow the visitors to refurn on the 5 o'clock train. J. D. McGe, who caught for the Butte Electrics last year, will catch Early, who is now with the Anacondas. The following is the batting order of the Butte team with positions: Evans cf., Kirby p., Sloan, 1b., Platt ss., Burns lf., Gleason, 2b., Nevins 3b. Dwan 2b., Mulqueen c., Jimmy Hall, substitute.
